PARENT/GUARDIAN INFORMATION REGARDING MEDICATIONS IN SCHOOL

I certify that I am the parent, legal guardian, or other person in legal control of this student. I request and authorize the school to administer the medication prescribed, as authorized by RCW 28. A210.260-270 and RCW 18.71.030 (3). This includes oral, inhaled, topical, nasal, rectal, eye and ear drops that shall be given at school **only when absolutely necessary**. Designated/trained employees shall administer this medication in compliance with Licensed Health Care Provider (LHCP) orders.

I understand the medication must be furnished in the **current, original container** from the pharmacy with the student's name, the name of the medication and the amount to be given. Non-prescription medication must be furnished in the original container from the manufacturer. All medication must be in a form ready to be administered and **must not** require any preparation by building staff. If the dosage or time should change, new orders and container will be provided.

I understand it is **the parents'** responsibility to deliver and maintain an adequate supply of the medication at school. The medication may not be delivered by the child or school bus driver. Medication delivered by the child or bus driver will NOT be dispensed.

I understand that it is the student's responsibility to come and receive his/her medication at the appointed time. I also understand that because of the school's schedule and other responsibilities of school staff members, there may be occasions in which a dosage may be delayed or missed.

I understand medication orders are only valid for the current school year (including summer school). Any medication remaining at the end of the school year, not picked up within 5 days after the last day of school, will be destroyed, with the exception of Extended School Year students.

As a general rule, the school will not administer prescribed medications during field trips. I understand that in those instances where medication must be administered I will make arrangements at least 24 hours prior to the field trip.

If self-administration is requested (and approved by principal/nurse), I certify that my child has the skill level necessary to do so, and that the school will assume no responsibility/liability for the administration of the medication or its use. Student may only carry a one-day supply of oral medication.

I have read the information above instructions and am in agreement with them.
